GROUP 24 CARDBOARD ITEMS

Read SHIPPING CHARGE NOTES!!!!

NOTE SHIPPING CHARGES, Package Trays, Firewall Covers, Back Seat Panels These are expensive to ship, we have tried rolling them but they tend to get wrinkled so we are now only going to ship them in a large box with a wood board in them. Because of this the shipping will be up to $45.00 or more [depending on how far away from us you are] because of UPS ‘dimensional weight’. It would be wise on your part to order your package tray, back seat panel & firewall cover together because the shipping charge to ship all 3 items will be the same as shipping only one of these items.
